Stradley Ronon Advises Silvi Materials in Acquisition of Eagle Rock Concrete

Stradley Ronon represented Pennsylvania-based Silvi Materials, a vertically integrated leader in construction materials, in its acquisition of Eagle Rock Concrete, a premier ready-mix concrete producer based in North Carolina. The transaction closed September 2.

The combined company will operate as Eagle Rock Concrete, a Silvi Materials Company. This acquisition represents Silvi's expansion into the Southeast U.S. construction market, bringing nine high-production ready-mix plants in the Raleigh-Durham area.
