Stradley Ronon Closes $5 Million Seed Funding Round for Digital Travel Startup

Stradley Ronon's emerging companies & venture capital funds team represented Fora Travel in closing a seed funding round, raising $5 million. Fora is a modern travel agency with a twist – thoughtfully designed, proactively inclusive and tech-driven. The seed round was led by Forerunner Ventures with participation from leading consumer investors, including Heartcore Capital and Uncommon Capital. Fora plans to use the investment to onboard new advisors and enhance product development.
